

AMERICAN ROSE SOCIETY
CONSULTING ROSARIAN EMERITUS REQUIREMENTS

The ARS Board of Directors approved Consulting Rosarian Emeritus in June 1994. The honor is for those who have served as a CR for at least ten years and no longer wish to be active.

A CR who qualifies may request Emeritus status through the District CR Chair. The District CR Chair may suggest this status to a Consulting Rosarian in declining health if the Consulting Rosarian qualifies.

Upon approval of the request by the District and National CR Chair, the District CR Chair presents each new Consulting Rosarian Emeritus with a certificate of appreciation for past service. The District CR Chair presents the Emeritus designation to the recipient at the next suitable occasion.

The District or Society making the request pays for the certificate. Listing a Consulting Rosarian Emeritus' name requires name only (no contact information) and marked as Emeritus.
