

## **ARS Members Choice Award**

The American Rose Society “Members Choice Award” honors the rose introduced within the past five years with the highest garden rating score in Roses in Review, a survey open to participation by all members of the ARS and Local Rose Society members. The Fragrance award was added in 2018, designated by the “F” following the year of the award.

In 2024, upon the recommendation of the Prizes and Award Committee, the James Alexander Gamble award for fragrance was discontinued and the Members Choice for Fragrance was renamed the “Members Choice Gamble Fragrance Award”.
